

# THE VANCOUVER SUN

February 6, 2010

Westcoast News, p. A3

## Something's fishy

The Vancouver Aquarium has unveiled its "Ocean Wise Canstruction Inukshuk." The sculpture, made from cans of Ocean Wise salmon and tuna, was created by an Aquarium design team to celebrate Vancouver's Olympic spirit and support the Greater Vancouver Food Bank Society.

The structure will be on display from Feb. 12-28. The seafood has been supplied by [Raincoast Trading](#) and all cans will be donated to the food bank.
